The Russian Defense Ministry has obtained new evidence that rebels in Syria operated a secret cyber-operation center there, the ministry's press office said on Tuesday. The evidence was provided to Russian intelligence by CIA Director John Brennan, when he visited Moscow on July 1. "In the course of the briefing the Russian defense ministry also showed new evidence that the Islamic State in Syria and Iraq (IS, formerly ISIS/ISIL) have been using a secret

cyber-operation center in the opposition-controlled zone of Syria's Aleppo to attack Russian defense facilities," the ministry said. "The Russian defense ministry also showed data obtained by the CIA from the cyber-operation center, including an example of a very dangerous cyber-attack in March of this year, when Syrian troops were in the city of Deir ez-Zor, in

What's New In?

an alert view on the iPhone4 to change. I have tried: UIAlertView *alert = [[UIAlertView alloc] initWithTitle:@"Title" message:@"Message" delegate:self cancelButtonTitle:@"OK" otherButtonTitles:nil]; alert.backgroundColor = [UIColor greenColor]; alert.alertViewStyle = UIAlertViewStyleDefault; [alert show]; [alert release]; alert.backgroundColor = [UIColor greenColor]; and [alert show] don't work. If I use alert.message = @"Message" then the background changes. I would like to use UIAlertView because I would like to change the background color as a way of styling the alert. I could use

UIAlertView but then it won't work on the iPhone4 because of the green background. A: The background color of alert view is not visible because it is covered with the default background color of alert view, which is gray. AlertView is intended to be transparent and visible through the content. Alert view set on its own. Pages Monday, March 31, 2013 Nanny Knows Best: The Rise Of The...Grandmother?! I don't know if you've been paying attention, but in the last year or two there has been a drastic shift in the way that Americans are rethinking the role of their grandmothers. This is truly a story about the rise of the grandmother that's almost too

obvious to mention. Not one woman is spared from the traumas and indignities of menopause. As I write this article, my mother is in the middle of it all. She will be 68 on
