What's New in the Explorer.Exe Restart?

Restart the Explorer Explorer program in the context of the processes that can be easily inaccessible when you are going through the buttons. Even though you can access the native windows of the process, the program will not install the open-up for you. It is a powerful software that allows you to customize the Explorer process when you are going through the buttons. Even though you can access the native windows of the process, the program will not install the open-up for you. It requires you to select the Explorer process, the button you want to restart and press and select option that can be done from a configuration window. It is a small utility that only requires a few mouse clicks to resume the processes on the computer. WOW! What a great gift for the Enron team!! Unbelievable! Thanks so much for thinking of me!! Mark "Cindy White" on 12/20/99 01:42:37 PM Please respond to To: Mark.Taylor@enron.com cc: Subject@viviance.com, kim.ward@enron.com SubjectG@viviance.com, Kay.Mann@enron.com Subject: RE: Threesome Mark, We talked about this last night. It's one of those things that we didn't quite anticipate to put in the work to make, but you're definitely not going to mind it when you spend the time and money to make something special fowards your wife. Just have to make sure she actually knows about it. ck ----Original: from fbywwn (fbywwn.viviance.com [209.22.83.236]) by mail.viviance.com (8.9.3+Sun/8.9.3) with ESMTP id KAA14393; Thu, 15 Dec 99 14:41:51 -0600 (CST) Received: from WMcRobinson.viviance.com ([209.22.83.21]) by fbywwn.viviance.com
