December 10, 2562 BE - License management with Autodesk software allows you to change the serial number, but not the product key. This will return an error if the number is not . corresponds to the serial number of the product on the computer itself. To change the serial number, follow these steps. 1. Launch the Autodesk Account Manager software. 2. Click the "Configure Autodesk account" link located in the left pane of the Autodesk Account Manager window. 3. Scroll down the page and click on the "My Autodesk account details" link. 4. In the About Autodesk Account Manager area, click the Clients link. 5. In the list of available servers, go to the "My Account" tab.
