User reviews For a relatively basic program, Zortam Mp3 Player is easy to use, flexible and feature-rich. Just keep in mind that you will have to configure the application to suit your needs by adjusting the various settings. Review: 3 Kommentar: Todas las aplicaciones necesitan una descarga de DirectX aún, la descarga de DirectX es muy lenta tambien y es pesado en la computadora donde estas instalando esa aplicacion, por otra parte puedes esperar hasta que ya tengas la descarga de DirectX puesto ahi la aplicación arranca, sin duda alguna te podrías hacer experir con este programa, las únicas buenas cosas que encontré fue la ayuda de los comentarios y comentarios a la documentacion de los programas 6 Kommentar: Todas las aplicaciones necesitan una descarga de DirectX aún, la descarga de DirectX es muy lenta tambien y es pesado en la computadora donde estas instalando esa aplicación, por otra parte puedes esperar hasta que ya tengas la descarga de DirectX puesto ahi la aplicación arranca, sin duda alguna te podrías hacer experir con este programa, las únicas buenas cosas

What's New in the Zortam Mp3 Player?

Zortam Mp3 Player is a free MP3 player that can be installed on any Windows system and loads MP3s and M3U playlists. This program is very user friendly, comes with a large window and a simple interface, and offers the same basic MP3 player features like play, pause, stop, skip, and some more. The application features a visualizer and several additional features like cover art and lyrics. It also supports the basic settings you might need for music playback. The major downside is that it doesn't provide much in the way of settings, so you have to adjust most of them yourself. This is an issue if you are looking for a basic MP3 player that's easy to use, but if you are planning on digging into its more advanced features, you should look at something more versatile. Pros: Great for beginners Simple interface Includes basic settings Supports keyboard shortcuts Cons: Limited settings Requires direct X Bottom Line: It's simple and intuitive, and provides users with a familiar and easy way of listening to their music.
