

AutoCAD Crack + Registration Code [32/64bit] 2022

Launch of AutoCAD Crack Keygen in 1982 The software was immediately successful, and later that year AutoCAD was integrated into the AutoCAD LT DOS/386 and Windows versions of AutoCAD. In the 1990s, the software was ported to the Apple Macintosh platform, and the Windows-to-DOS platform conversion process was launched. Since then, a number of models have been released, including AutoCAD LT (for Windows), AutoCAD LT for Mac, AutoCAD LT for iOS, AutoCAD WS (for Windows), AutoCAD WS for Mac, AutoCAD WS for iOS, AutoCAD 360 Suite, and AutoCAD WS 360 Suite. Autodesk announced its intention to divest itself of the AutoCAD business on December 1, 2012. The company reported that the transaction would be completed by the end of 2012.

History AutoCAD history is a list of events that happened to AutoCAD and its associated software products.

1980s

1981 April 11 - AutoCAD receives CE Mark

May - The Macintosh version of AutoCAD is released

October - The IEEE (Institute of Electrical and Electronics Engineers) presents AutoCAD with the Paper Award

1982 February - AutoCAD, released in DOS/386 and Windows, is released as a desktop app with a 32-bit color display and a menu bar

March - Beginning of full support for 32-bit color (RGB mode)

October - AutoCAD prompts to run as a screen-based app

1983 March - AutoCAD is announced for Macintosh

May - AutoCAD is renamed "AutoCAD"

1985 June - AutoCAD displays can display polygons, lines, circles, and ellipses (2.5-D objects)

1987 November - AutoCAD is used in the construction of the Sydney Opera House

1988 February - AutoCAD's in-place upgrade option is added to facilitate a faster user experience

1988 June - AutoCAD's Draw tool is optimized and a new ribbon toolbar is added. Support for stereolithography (SLA) is added

1989 February - AutoCAD's Draw commands are further optimized

1989 July - AutoCAD is launched as an integrated part of the AutoCAD LT DOS/

AutoCAD Crack With License Key

Autodesk Architecture provides architectural design software, which includes furniture, fixtures, interior design and landscape design. AutoCAD Crack Mac 3D is the 3D version of AutoCAD, released in 1997 and available for Windows, Mac OS X and Linux. AutoCAD 2008 Enterprise (Release 16, May 2008) was the first release to use the AutoLISP scripting language as an additional scripting language along with Visual LISP and VBA. VBA was used to extend AutoCAD through application developers. AutoCAD 2D is included with the 2008 Enterprise release. Autodesk Exchange Apps were introduced in AutoCAD 2009. AutoCAD 2010 (Release 2010, June 10, 2010) was released as a yearly release. It added several new features, such as a Web API and DXF support and a SketchUp 3D Warehouse integration. It is mainly built on the 2009 release code. AutoCAD 2011 (Release 2011, November 21, 2011) was the first

AutoCAD release to support XML-based products. It has two types of XML: Global XML which is stored on the computer and Local XML which is stored in the drawing area. AutoCAD 2013 (Release 2013, September 9, 2013) is AutoCAD's last native 2D product to support the native Windows programming language of Visual Basic 6, and introduced the IFC file format. AutoCAD 2014 (Release 2014, September 2, 2014) was the first AutoCAD release to support IFC. AutoCAD 2015 (Release 2015, August 11, 2015) was the first release of AutoCAD to support the DXF format and IFC. AutoCAD 2017 (Release 2017, August 18, 2017) was the first release of AutoCAD to support IFC. AutoCAD 2018 (Release 2018, August 25, 2018) introduced the BIM 360 data format. AutoCAD 2020 (Release 2020, August 24, 2020) was the first release of AutoCAD to support IFC. Notable Autodesk Exchange Apps A360 - Architecture, Design & Engineering Solution AutoCAD 2010 Design AutoCAD Architecture AutoCAD Electrical AutoCAD Internet Solutions AutoCAD Electrical Design Suite AutoCAD Electrical 2015 AutoCAD Electrical 2016 AutoCAD Mechanical AutoCAD Civil 3D AutoCAD Architecture 2011 AutoCAD Architecture 2012 AutoCAD Electrical AutoCAD Mechanical a1d647c40b
