### **Elden Ring Features Key:**

A story in which different encounters of the main character Tarnished grow one another.

A high degree of freedom of experience, due to the twists and turns of the story. All actions are reflected in the duel rankings.

An online battle system where you compete against other players, making full use of your own skills and those of your opponents to determine a story of the most exciting descent into the Lands Between.

Expedient and flexible battle system that frees you from old-fashioned RPG battle systems, which make it easy to distinguish oneself in online play. And so you can enjoy a story that keeps you going through a variety of experiences every time you fight.

Elden Ring combines the imagination of the Nobilis group for the personality and excitement of the story of the "Kings of Farsia" and fun battles like those of the Baito group. It is recommended to those who want to enjoy the thrill of role-playing, MMO servers and all of its new opportunities. And all you need is to become a hero like Tarnished by overcoming the opposition through your own sword and your own fingers and feet.
