Features Key:

A Variety of Combat Learn a variety of weapon combinations, armor combinations, and magic combinations. An even battle develops when you strategically choose the proper armor and magic for the opponents you face. An Epic World Wide Duel Duel in real time with up to 4 players world wide. As you engage in combat with other players, pay attention to the dialogue and the conversations between the other characters, and enter the interaction with individual players. Much More Than PvP Dozens of elements contribute to the excellent PvP matches. Support for 37 weapons, 74 armor, and 34 Magic effects, as well as unique forms of strength, stamina, and magic gained through different methods of rousing your strength and becoming a Lord of the Elden Ring. Fully Orchestrated Composition Composition that sensually reflects various kinds of music and visually creates a huge image with character shading. A Superior Skill System Use the rhythm of the songs and the legendary weapons to create music that reflects your heart. Achieve soft combos, heavy combos, and explosive combos while using the different effects of the weapons. An Epic Storyline A storyline that changes with the course of combat. A tale that unfolds upon completion.

Elden Ring deep strategy - Bossable quests and the Oath Necromancer

Bossable Quests

You can battle bosses in dungeons. These dungeons contain previously encountered monsters with the same level as the characters. Hiding for a few days to equip your adventurers with the optimal weapons and armor, you can challenge the monsters in these dungeons one after another. You can freely customize the showdown with the monsters, so you can take your enemies on easily.

Oath From the Necromancer During the quests, you can raise a level 5 hero by having at least one of the categories of monsters you have
