Uncharted Passage released on January 9, 2016 from Idea Factory. Uncharted Passage Uncharted Passage, a game that lets you explore a new land with the power of imagination. The Long-anticipated Magical Style Action RPG Uncharted Passage: Uncharted Passage is the long-anticipated magical style action RPG with a story from the creators of the widely loved games such as Muramasa Rebirth, Hakuoki Otome, and Dragon Quest Heroes. This world that is both a rich and beautiful animated tale, and a battle action RPG. Underworld's End In a world where magic was discovered thousands of years ago, humanity has spread around the world, but dreams of a world where none of this exists still lingers. People live contentedly in peace, living under the rule of the gods, but the peace no longer exists in a world where humans and magic are commonplace. From time to time, a crystal of the divine world washes ashore on an unknown land. People who wield the power of magic are called phoenixes, which feed on dreams. The people who cannot master their power and do not control their emotions, are called phoenixes who feed on blood. For the people, who control their phoenixes, and the phoenixes, who control humans, a war of lies and truth could soon begin. Intense Campaign Experience ○ Resolution Rebirth In this game, resolutions that have been passed down for years are implemented. A new way of connecting between the past, present, and future will bring changes to the game and allow you to enjoy a new game. ○ Offline World Map After completing the game, you will be able to go back to anytime and anywhere in the game world. It will be possible to enjoy the offline function even in the new world map. ○ Online, and Asynchronous Online Function If you are playing in an online, you will be able to play with any kind of online player. But this is usually only a temporary state of affairs. As people get older, they invariably run out of money, and then the struggle begins. There are plenty of signs that you need to be thinking about your financial situation, so you need to be able to recognise and deal with them. This is part of life. Some people are lucky, they are born with a silver spoon. But for most of us, our fortunes aren't tied to a single event in our lives. They are built over time, slowly and steadily. Depending on where you are in your life, it's possible that you already know the signs of financial difficulty. There are many reasons why people run out of money, but most of them fall into one of two categories. The first one is because of a lack of income. Either you simply don't have enough money coming
