.2009.06.20-Sunset-2-Year-Old 18032009 2 years ago I took these photos on a whim, and could not believe that these images would reach people hundreds of miles away! It's been a huge blessing and pleasure for me to have been given this opportunity! May God continue to shower His blessings on all of us, and most of all on those of us who are in need of it... This guy was so big, and so strong... and so curious... so focused. You could see it in his eyes, and his little body was achingly thin... but he was so determined, so trusting, and his spirit was pure. One of the "foodies" in town asked me if I would like to take a picture with her... and not surprisingly, I said "yes"! She had a camera in her hand, but the phone was a good one. I don't know how to operate the settings on a camera phone, so we couldn't get a clear image of him... but she said that it didn't matter. She said that he was a perfect subject, and that she always wanted to have a picture with an angel, so that's what she would get. She said that he looked a lot like a little angel, and I told her that she was right. I've been dreaming of taking a photo of an angel, so it was a real thrill for me. We got a few other photos of him, just before he went back to the truck to go home. He didn't move from his spot for the rest of the night.32\_t
