Your post made me hungry and I've been waiting for Whole Foods to open today so I could pick up my food pyramid. The truth of the matter is when I was a teen, I had lots of health/nutrition knowledge, but I lacked the energy I needed to take it to the next level. Fast forward to today. (I just turned 31 and I want to be around 30 years old for the rest of my life, so I haven't been around my age for very long.) I'm working on a weight loss/weight gain reversal. I want to be over 30 pounds lighter and leaner than I am now. I'm too busy to do it the way it is typically done. I'm going to be LOSING weight. I can be a bit skeptical of things, so when I saw your article, I got the "highs" and the
