The Company is an independent provider of software and services to the financial services industry. We are the leading expert in integrating computer systems with the core banking process to deliver an improved operational experience for customers. We use this page to provide a 'SWAG' regarding our software. We expect that customers will offer professional reviews of our products. We welcome customer reviews of our software to help others make

the right decision on whether to buy or not. The Company is an independent provider of software and services to the financial services industry. We are the leading expert in integrating computer systems with the core banking process to deliver an improved operational experience for customers.Q: Angular 2 get response headers from HTTP get request How can I get response headers from a HTTP get request? A: Here you go: this.http.get('/api/test/') .map(res => res.json()) .subscribe(data => { console.log(res.headers.get('Content-Type')); }); Media Outreach Hosting a Leadership Meeting Many potential leaders turn to Wellesley for a leadership opportunity, whether they are looking for an experiential learning program, faculty-mentored experience, or an opportunity to network with alumnae. Whether you are planning a meeting on a scheduled basis or having an informal meeting with faculty or staff, our team is always available to help plan your meeting and help you identify a venue that best fits your needs. We have a ready-to-host site option and we can create a custom site on your campus for a one-time-use or recurring meeting. During your meeting, faculty and staff are still available to offer guidance, answer questions, or serve as a resource. A Wellesley Leadership Retreat A retreat-style event can be tailored to your specific needs. Retreats can be held on campus, a retreat center, or at a conference facility of your choice. Wellesley's dedicated Outreach and Creative Events staff is here to help you create and plan your retreat. What's in a Wellesley Leadership Retreat? A professional-faculty team conducts pre-retreat planning with you to help define your theme, invite speakers, and
