System Requirements:

The age of your computer and video card may affect the resolution of the game. The maximum possible resolution is 1920 x 1080. All your video card's abilities will be used by the game. For the best results, we recommend a video card with 3D Acceleration. Resolution: 1280x720, 640x960, or 320x240 Input: Keyboard / Mouse Note: When using a gamepad, the

quality of the game will be much lower. We recommend a gamepad if you plan to play with the cheats turned on.
