
Easy Red Free Download [FULL] PATCHED

when you are finished downloading the iso, burn it to a disc using the desktop iso burner of your choice. when burning to a disc, ensure that the drive and media in which you will be burning the iso are at least blank. if you have downloaded the iso, you will be prompted to insert the disc into the drive when you try to boot from the disc. no, its not a new version of the game. this is actually an expansion. its worth mentioning that the expansion is free to download. im going to make an attempt to be as fair as i can, but be warned this could be a quick one. easy red is an extremely simple but very fun war game. your objective is to take down as many enemies as you can, also known as score. you can upgrade your weapons and unlock more by taking down more enemies. as you go through the game you will be awarded with coins. these are used to purchase upgrades, or can be saved up for the rare golden items which are only available to purchase with real money. theres also a co-op mode where you can play with a friend. like most strategy games, the objective in easy red is to gain ground. the more territory you take, the more your enemies will lose. you gain control of a squad of soldiers and you are in control of how they move. when you take an enemy soldiers life, it drops them to the ground. if they arent dead, they get up and get back into the fight. if there are no more enemies on a map, your squad will continue to fight. in easy red 2, you will be taken to both the european and pacific fronts of the war. on the european front, you will be taken to the shores of anzio, italy- working your way towards the bombed peaks of monte cassino. you will also be taken to kos- the greek island invaded by the germans in 1943. in the pacific, you will go to kwajalein- the japanese-occupied island invaded by the united states marine corps in 1944.
