It is about a boy named Harry who has the ability to explore his magical world through five kingdoms. Harry Potter and the Chamber of Secrets looks better than the rest of the Harry Potter series. In the campaign mode, you have to fight off the evil and learn to protect them from the evil and they are the Voldemort, Bellatrix Lestrange, the Dementor and the Death Eaters. The thing

that I like most about this game is that there were a lot of controls that you can adjust to your preferences. For example, in this game you have a jump and run button which works well when you're going after the Death Eaters. There was also a save button and there was also an option to reset the game. 5ec8ef588b
