Sri Lalitha Sahasranamam Lyrics In Tamil Pdf Download

When the devout invoke the name of Lalitha Devi after a bath in any pond, they are given the wish that they would receive the prosperity and happiness of the divine mother. This is called the geetham, or the worshipping of divine mother. It is always the true devotion to the mother that is meant by the geetham. When a person dies, he performs the last rites of the deceased with love and devotion, and then recites the Lalitha Sahasranamam daily. The Lalita Sahasranamam is one of the most sacred and purest Mantras of the

goddess and is the child of Shri Bramha(Lord of all creation) and Shri Varahi (the supreme power of nature). It is the only mantra that the Devi ever speaks out of her own volition. She comes upon her devotees and she asks them to recite her mantra in secret, often leaving them only a few lines to go on. This is another reason for the secrecy of the mantra. The mantra is said to be the fruit of the penance of Shri Lalitha and the expression of the ultimate realization of that Vairagya (renunciation). The devas prayed to her to kill Bhandasura. When she started for the war with Bhandasura, she was accompanied

by the powers called anima, Mahima, Brahmi, Kaumari, Vaishnavi, Varahi, Mahendri, Chamundi, Maha Lakshmi, Nritya Devtas and Avarna Devtas who occupy the chakra. While Sampatkari was the captain of the elephant regiment, Aswarooda was the captain of the cavalry. The army was commanded by Dhandini riding on the chariot called Giri Chakra assisted by Manthrini riding on the chariot called Geya Chakra. Jwala malini protected the army by creating a fire ring around it. Para Shakthi rode in the center on the chariot of Chakra. Nithya destroyed a large chunk of Bhandasuras armies, Bala killed the son of

Bhandasura, and Manthrini and Dhandini killed his brothers called Vishanga and Vishukra. When the asuras created a blockade for the marching army, Lalitha Tripura Sundari created Ganesha with the help of Kameshwara to remove the blockade. Then Bhandasura created the asuras called Hiranyaksha, Hiranyakashipu and Ravana. The Devi created the ten avatars of Vishnu and destroyed them. She killed all his army using Pasupathastra and killed him with Kameshwarasthra. The gods then praised her. She then recreated Manmatha for the good of the world. This story is contained in the first 84 names of the first 34 slokas

of Lalitha Sahasranamam. All together it contains one thousand names. This is also called the Rahasya Nama Sahasra (the thousand secret names). Reading it, meditating on the meaning of the names would lead to the fulfillment of all the wishes of the devotees
