* Over the years, many people have generated cracks for their favourite games. A lot of the information in this section of our website is derived from those generated cracks, as they contain the good, bad and ugly. * A number of cracks and other downloads will require technical knowledge to enable them to be run on your computer. In order to assist you in making this choice, KitGuru has produced a guide to selected crack downloads. * Whilst no download is

perfect, in theory, you can download the patch for the game itself, which will update the game to be 100% the same as the original.
